

Scientific References for *Becoming Vegan*

It was not possible for us to include this complete list of references in *Becoming Vegan* itself. However we are pleased to make this list available to you via the web and pdf file. The first section includes references used for the multiple sections or for the whole book. References for specific sections follow, listed by chapter.

Table of Contents for *Becoming Vegan*

References multiple chapters and for the whole book

Chapter 1. Vegan Roots (References)

Environmental References for Chapter 1

Chapter 2. Perspectives on Vegan Health (References)

Chapter 3. Plant Protein (References)

Chapter 4. Big Fat Lies (References)

Chapter 5. The Two Faces of Carbohydrate

Chapter 6. Prospecting for Minerals (References)

General

Calcium

Iron and Zinc

Iodine

Selenium

Sodium

Chapter 7. Vitamins for Vegan Vigor (References)

General

Vitamin B12

Vitamin D

Chapter 8. Phytochemicals

References for Chapter 9. The Vegan Food Guide

References for Chapter 10. Building Vegan Dynamos

References for Chapter 11. Growing Vegans

References for Chapter 12. The Prime of Life

References for Chapter 13. Overweight

References for Chapter 14. Eating Disorders

References for Chapter 15. Underweight

References for Chapter 16. The Vegan Athlete

References for Chapter 17. Vegan Diplomacy

References for Appendix: Vegan Resources.
